

# GARDEN PRODUCE

**Superintendent: Cheryl Simmons**

Enter garden produce Wednesday, August 14 from 8:00 am to 12:00 noon.

Produce will be judged the same day at 1:00 pm. Adult and youth entries will be judged separately.

All produce shown in this department must have been grown by the exhibitor in 2019, except Indian Corn and Pop Corn, which may have been grown in 2018.

PREMIUMS – see general rules and regulations.

## INSTRUCTIONS FOR PREPARING PRODUCE EXHIBITS:

**DO NOT WASH OR POLISH ANY PRODUCE OR FRUIT!**

**We know it is difficult to get stems, but please try to.**

**PLEASE BE SURE TO HAVE THE REQUIRED NUMBER OF ITEMS TO EXHIBIT FOR EACH ENTRY.**

**Apples** – leave stems on. No worm holes.

**Cabbage** – cut as close as possible on the bottom. Peel off outer to get down to the head.

**Carrots** – leave 1” top and leave roots on. Remove all dirt with a soft brush. DO NOT WASH.

**Corn** – leave ½” stem at the butt, except for Indian and Pop Corn, which must be husked.

**Cucumber** – must have at least ½” stem.

**Onions** – leave 1” top and leave roots on. Remove only the peeling necessary to get the onion clean.

**Parsnips** – leave 1” top and leave roots on. Remove all dirt with a soft brush. DO NOT WASH.

**Peppers** – must have ½” stem.

**Plums** – must have stem on. DO NOT POLISH.

**Prunes** – must have stems on. DO NOT POLISH.

**Potatoes** – allow potatoes to dry and skin to set. Brush off dirt with a soft brush. DO NOT WASH.

**Pumpkins** – leave stem on.

**Squash** – leave stem on.

**Strawberries** – must have stems on.

**Swiss Chard** – cut stalks from base of plant.

**Table beets** – leave 1” tops and leave tails on. Brush off dirt with soft brush. DO NOT WASH.

**Tomatoes** – leave ½’ to 1” stem. Judged according to time of year and maturity.

1. Crab
2. Delicious
3. Grimes Golden
4. Jonathan
5. Rome
6. Winesap
7. Yellow Delicious
8. Miscellaneous

### Apricots – exhibit 2

9. Any Variety

### Berries – exhibit 1 cup

10. Blackberries
11. Boysenberries
12. Dewberries
13. Raspberries
14. Strawberries

### Grapes – exhibit 1 bunch

15. Concord
16. Green

### Melons – exhibit 1

17. Cantaloupes
18. Honey Dew
19. Watermelon
20. Muskmelon
21. Miscellaneous

### Peaches – exhibit 2

22. Crawford
23. Elberta
24. Hale
25. Nectarine

### Pears – exhibit 2

26. Bartlett
27. Flemish Beauty

### Prunes – exhibit 3

28. Any Variety

### Plums – exhibit 3

29. Any Variety

## DIVISION II – VEGETABLES

### Beans – exhibit 5 pods

30. Green Beans
31. String Beans – colored
32. String Beans – green

### 33. Broccoli – exhibit 1 head

### Cabbage – exhibit 1 head

34. Early
35. Late
36. Miscellaneous

### 37. Carrots – exhibit 3

- a. Big
- b. Long
- c. Short
- d. Colored

### 38. Cauliflower – exhibit 1 head

### Cucumbers – exhibit 2

39. Burbles
40. Lemon
41. Pickling (up to 5")
42. Slicing (3" to 5")
43. Miscellaneous

### 44. Brussel Sprouts – exhibit 3

### 45. Egg Plant – exhibit 1

### 46. Garlic – exhibit 2 cloves

### 47. Gourd – exhibit 2

### 48. Herbs – exhibit 2 stems

- a. Basil
- b. Dill
- c. Parsley
- d. Thyme

### 49. Leeks

### Lettuce – exhibit 1 head

50. Head
51. Leaf
52. Onions – exhibit 1
  - a. Green
  - b. Red
  - c. Sweet Spanish
  - d. Walla Walla
  - e. White
  - f. Yellow Globe
  - g. Miscellaneous

### 53. Parsnips – exhibit 2

### Bell Peppers – exhibit 1

54. Colored
55. Green

### 56. Hot Peppers – exhibit 3

- a. Anaheim
- b. Jalapeno
- c. Miscellaneous

### 57. Peppers – exhibit 2

- a. Sweet
- b. Banana

### 58. Potatoes – exhibit 3

- a. Early Red
- b. Early White
- c. Reds
- d. Common Rust
- e. Yukon Gold

### 59. Pumpkin – exhibit 1
