

SPECIAL SESSION, SEPTEMBER 20, 2023

Commissioner Bolduc opened the meeting at 1:13 P.M. Commissioner Bolton and the Clerk, Denise Gill were present.

EMINENT TECHNICAL SOLUTIONS

Scott Linsley and Jacob Johnson, ETS, Eminent Technical Solutions, requested to meet with the Board this day. They had with them Thomas Duchen and Bob Duchen, President and Vice President of River Oaks Communications, Colorado Springs, Co. The Duchens explained they provide services to governmental entities for telecomm projects. They have provided services for 40-50 government entities in the Seattle, Washington area. Their specialty is in local government. They will review ordinances, permitting processes, plans, bonds etc. This type of legal representation will be needed should Gooding County be a recipient of an Idaho Broadband Grant, explained ETS.

Chairman Bolduc adjourned the meeting 1:58 p.m.
